

Summary of Recommendations for 27 Folsom:

- Renamed 27 Folsom would replace 27 Bryant
- Service would be extended north on Leavenworth and Vallejo to Van Ness Ave.
- Route shown on one-way streets north of Market; route could be simplified by running two-way on Leavenworth and Ellis, as proposed by Tenderloin Community Plan (further study underway)
- Route shown on Folsom and Harrison in SoMa; route could also operate on a two-way Folsom, proposed by the Western SoMa Community Plan (further study underway)
- Would replace route 12 service on Folsom St. in the Inner Mission to Cesar Chavez St., with extension to 24th St. BART
- Service on Bryant St. would be discontinued; existing customers could use rapid service on Potrero or local service on Folsom.
- Environmental review would evaluate service on both Folsom and Harrison to retain both options
